## SUBSTITUTE TEACHER INFORMATION FORM

Section 10-21.9 of Illinois School Code requires all applicants for employment with a school district including persons or firms holding contracts with the district, who have direct daily contact with the pupils of any district school, to authorize a fingerprint-based criminal history records check to determine if the applicant has been convicted of certain enumerated offenses, and a check of criminal databases. A school board shall not knowingly employ a person for whom a criminal background investigation has not been initiated.

I authorize the ROE 17 to submit fingerprints and other necessary information electronically to the Illinois State Police (ISP) and the Federal Bureau of Investigation (FBI) to conduct a criminal background check.

I further authorize the ROE 17 to check for my name on the Statewide Illinois Sex Offender Database.

I further authorize the ROE 17 Regional Office of Education to check for my name on the Illinois Statewide Child Murderer and Violent Offenders Against Youth Database.

I understand that conviction on any of the enumerated offenses or the presence of your name on any of these reports will exclude me from substitute teaching in ROE 17 schools and could result in the suspension, revocation, or surrender of my teaching certificate(s).

I understand that the Regional Superintendent shall share criminal history reports with the Superintendent of a School District, other Regional Superintendents, the State Superintendent of Schools, and the Illinois State Board of Education. I further understand that a copy of the criminal history check shall be provided to me.

I understand that I am responsible for the payment of the cost of the criminal history check and checks of the Statewide Sex Offender Database and Statewide Child Murderer and Violent Offender Against Youth Database. All fees are nonrefundable.

I understand that receiving a ROE 17 Substitute Authorization certificate is necessary to substitute teach in ROE 17 Public Schools, and that obtaining such certificate does not guarantee that I will be hired as a substitute teacher in DeWitt, Livingston, Logan or McLean counties.

### Fingerprinting Facts

- The initial cost for fingerprinting is \$65.00
- A small percentage of people being fingerprinted will have to be reprinted.
- You may incur up to \$20.00 in additional fees if the Illinois State Police and/or Federal Bureau of Investigation deem your fingerprints are too faint to read. This is not the fault of the fingerprinting company. Live scan technology is the best method of fingerprinting.
- If your initial fingerprints are rejected as too faint to read by either the Illinois State Police or Federal Bureau of Investigation, you will be charged an additional \$10.00 processing fee. This fee is paid to the State Police or the FBI. It is not paid to Bushue Background Screening to fingerprint you.
- If your fingerprints are rejected twice by the Federal Bureau of Investigation, we will ask for a name based background check, which does not require an additional fee. It usually takes from two to three weeks to receive the results of the name based background check. Occasionally, it has been as long as eight weeks to receive the results.

I, \_\_\_\_\_ have read the fingerprinting fees information and agree to pay additional fees if resubmission of fingerprints are deemed necessary by the Illinois State Police or the Federal Bureau of Investigation. I understand that if I do not submit a second set of fingerprints I will not be issued a substitute teaching authorization in the DeWitt/Livingston/McLean/Logan County region.
