The Illinois National Guard Youth Program is here to help provide the support and resources Youth need to deal with the separation from a parent, child care issues, difficulties with school and many other problems. Children of all ages can be affected at any phase of military life; we have programs to help one and all. We also provide children and youth ages 6-18 with various opportunities to develop their physical, social, emotional and cognitive abilities and to experience achievement, leadership, friendship and recognition.
